In my city, it always feels like summer, I like living here because of the sunny weather. On hot and calm days my family and I go to the beach to enjoy a nice walk on the beach. I live in Arica.

I live in a city where it is very windy and cloudy. In the summer it is warm, but in the winter it is extremely cold. When it is snowy, we can build snowmen and have snowball fights. I live in Punta Arenas.

I love the city I live in. It is very big, and in the fall, it seems to be the most beautiful time to walk and play in parks. In fall, it is warm during the day and cool at night, sometimes it rains and you will for sure get wet. I live in Santiago.

In my city, the weather is very dry because of the desert. It is usually warm during the year. My favorite season is spring when the temperature starts to rise and the flowers in my garden start to grow. I live in Antofagasta.
