Last summer, I visited the Atacama desert. We got there by bus. The weather was always sunny and hot during the day, but at night, it was very cold. The sky was always blue and the desert was very dry. At first I thought the desert was boring but then I saw different animals. I recommend that you visit there, because it is a beautiful place!

Rio de Janeiro was a wonderful place to visit. I went there by airplane from Santiago. Although it is a noisy city, I relaxed at the famous Ipanema beach. I also went windsurfing in the sea. I liked the weather, it was wet, warm and sunny everyday. Rio was definitely an exciting experience and I would like to visit again in the future.

Ricardo

Macchu Picchu was a fascinating experience for me and my family. We got there by bike and found this ancient Inca city at the top of the hill, in the middle of the tropical forest. I enjoyed the historical buildings. Macchu Picchu was quiet all the time and we did meditation.
